52-WEEK, BIBLE READING PLAN

A 52-Week Church - Wide Bible Reading Plan

ONE CHAPTER PER DAY | MONDAY – SATURDAY

PASTORAL INTRO

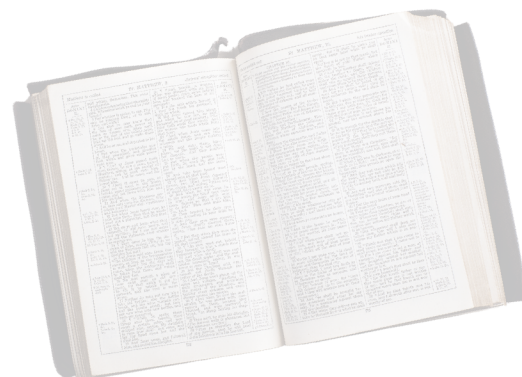

At Calvary McAllen, we believe the Bible is not a single book of disconnected stories, but one library of books with a unified story of redemption and the glory of God centered on Jesus Christ.

This reading plan is designed to help our church see the meta-narrative—the big picture of Scripture—from creation through the fall to redemption and on to new creation—by reading one chapter a day, Monday through Saturday. Sundays are intentionally left open for worship, rest, and reflection.

Rather than reading straight through the Bible, this plan moves thematically, helping us see how God's promises unfold and how the whole Bible points to Christ.

As you read, ask:

1. What does this passage reveal about God?
2. How does this move God's story forward?
3. How does this point us to Jesus?
